Dear Ms Craig,

I wanted to write to you to congratulate you and the children on the school's KS2 results.

It's great to see that the hard work of teachers and pupils is paying off, particularly at a time when schools are often under considerable financial pressure and resources are stretched. I'm really pleased that 59% of pupils achieved the expected standard in reading, writing and mathematics in 2018. You and all the teachers at The Kingfisher School should take great pride in your pupils' achievements.

As always, if have any issues you would like to raise, or if you would like me to come to visit your school and meet the pupils, then please do get in touch.

Best wishes,
