

# Five Little Peas

Say this rhyme:

Five little peas in a pea pod pressed.

(Action: close hand to represent the pea pod).

One grew, two grew and so did all the rest.

(Action: count on fingers as each number is called out).

They grew and they grew and they never  
seemed to stop.

(Action: lift up one arm to represent the plant growing).

Until one fine day the pod went pop!

(Action: clap hands to represent the popping sound).
