16th March 2020

Dear Parents and Carers,

School Activities Update

In light of the recent concerns surrounding Corona Virus we have made the decision to restrict external contact until further notice.

This will include the postponement of trips and external activities, including swimming lessons until Easter.

We will not be holding our regular Celebration assembly, nor Nursery Class PEEP group, on Fridays.

Our Mother's Day lunch will also be postponed to a later date and we will advise you accordingly regarding a new date.

We would again remind you, if you have any queries regarding Corona Virus, to refer to the Public Health England website <https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19/guidance-to-educational-settings-about-covid-19>

Yours faithfully

Kirsteen Craig
Principal
