

Elm Class Activities w/b: 8.10.18

Dear Parents and Carers,

The children have been settling into the nursery routine over the past few weeks and it's great that all the children are now able to attend for the whole of the morning session.

From this week, I shall be sending home a letter about our weekly activities along with the words to our 'rhyme of the week' so that you know what your child is learning at nursery.

The rhyme this week is a favourite of us all – 'The Wheels on the Bus!'

This week the children will be learning to:

- Retell the story of the Hungry Caterpillar. If you are not familiar with this story then you are welcome to borrow one of our books- we have lots of copies!

- Play games that will help them to listen carefully, for example, sound lotto.
- Put on their coats independently to go outside. We will help children with putting on coats and doing up zips, but please can you support your child at home by teaching them how to put their coats on by themselves.

At key group time, children are also learning about their new friends by talking together and taking turns in activities.

In next week's letter, I will give you details of our first PEEP (Parent group) which starts on 19th October.
