

Dear Parent/Carer,

You are warmly welcomed to our first PEEP group which starts this week.

What is PEEP group?

It is a weekly parent group where you are welcome to come and join in with a variety of activities – art and crafts, cooking, visiting the woods to name but a few!

Date:	Every Friday.
Location:	Nursery class.
Time:	9-9.45am.
<p>PEEP group routine: Come into nursery and choose a book from our PEEP library to take home and share with your child before the group starts at 9am. We will provide a plastic wallet for your child to keep their book safe as it travels between home and school! Alternatively, you can purchase a school book bag from the office. Change the book every Friday.</p>  <p>Then the group starts with songs and rhymes the children have been learning, followed by an activity linked to our project. This week's activity: To conclude our project about the 'Very Hungry Caterpillar', the children will be making a fruit kebab with fruits from the story. They can then eat this at snack time!</p> <p>We hope to see you on Friday.</p>
