13th March 2018

Dear Parents and Carers,

“What happens inside our bodies?” is the Enquiry Topic for Year 3 in Term 5.

As part of the theme the class will be visited by dental hygiene professionals on Thursday 19th April.

The children will take part in a dental hygiene workshop where they will learn about the benefits of a healthy diet, how to brush their teeth, and the reasons why we should all visit the dentist.

As part of the session, children will rinse their mouths using a disclosing solution, a vegetable dye which colours the mouth and teeth, highlighting the areas needing more attention when brushing.

Your child should bring their toothbrush to school on that day.

If you do not wish your child to use the disclosing tablets, please return the reply slip below to the class teachers.

Yours sincerely

Ms Carey and Mr Ross
Year 3 Class teachers

Year 3 Dental Hygiene Workshop – 19th April 2018

I do not want my child _____ (Name) to use the disclosing tablets.

Signed: _____ (Parent/Carer)

Date: _____
