10th September 2018

Dear Parents and Carers,

We received a telephone call today from Her Majesty's Inspectorate to confirm that a second monitoring visit will take place on Tuesday 11th September and Wednesday 12th September 2018.

The first visit took place in January 2018 by HMI Inspector Lorna Brackstone. The results of the first visit can be found on The Kingfisher School website.

The Inspectors visiting on this occasion will be Nathan Kemp, Marion Borland and Peter Davey. The Inspectors will be available during the next 2 days if you would like to speak to them.

If you have any questions about Her Majesty's Inspectors' visit please contact the school office in person, by email at info@kingfisherschoolbristol.org or by telephone on 0117 456 5989.

Yours faithfully

Kirsteen Craig
Principal
